CORPORATE PROFILE

ENGINEERS OF HIGH PERFORMANCE COATINGS

aicoatings.com.au

About Us

A&I COATINGS IS AN AUSTRALIAN OWNED FAMILY BUSINESS THAT DEVELOPS AND MANUFACTURES INNOVATIVE, NICHE, AND LONG LIFE COATINGS SUCH AS POLYURETHANES, FLUOROPOLYMERS, EPOXIES AND MEMBRANE COATINGS.

ALL COATINGS ARE MANUFACTURED IN OUR LOCAL APAS APPROVED FACILITIES.

Our Promise

AT A&I COATINGS, OUR PURPOSE IS DRIVEN BY OUR CUSTOMERS. WE ENSURE YOU WILL HAVE A RELIABLE LONG-TERM PARTNER IN THE PROVISION OF INDUSTRIAL AND PROTECTIVE COATINGS. YOUR SUCCESS IS OUR SUCCESS!

WE ARE A FRIENDLY TEAM, WHO NOT ONLY KNOWS YOUR NAME, BUT WE ALSO WANT TO UNDERSTAND YOUR BUSINESS AND GROW TOGETHER.

WE WILL FIND A WAY TO HELP OUR CUSTOMERS AND CONSIDER OUR CUSTOMERS' REQUIREMENTS FIRST.

WE WIN TOGETHER!

Our Vision

TO BE LEADERS IN PROVIDING INNOVATIVE AND TECHNOLOGICALLY ADVANCED COATING SOLUTIONS FOR A RANGE OF SURFACES, AND TO BE KNOWN AS THE GO TO PEOPLE FOR INNOVATIVE, EFFECTIVE AND PROVEN COATING SYSTEMS.

Our Mission

TO IMPROVE COATING TECHNOLOGY FOR THE BENEFIT OF COMPANIES, OUR TEAM, AND THE PLANET.

WE ARE KEEPING QUALITY DEVELOPMENT AND MANUFACTURING IN AUSTRALIA.

Services

CONSULTING

Our team of business professionals focus on offering integrated coating solutions, working towards one goal; to provide you with the highest quality architectural and industrial coatings.

COATING DEVELOPMENT & ENGINEERING

A&I Coatings develop and engineer all coatings in house. These coatings are tested by our in-house laboratory and globally recognized international laboratories in USA and UK.

Our team of chemists and research support personnel focus on improving existing products, developing robust and versatile coatings, researching and implementing new and leading technology into protective coatings.

SEAMLESS MANUFACTURING

Our manufacturing facilities are APAS (Australian Paint Approval Scheme) approved, based in NSW. All manufacturing is conducted and tested to ISO9001, APAS, and BBA (British Board of Agreement) standards.

GLOBAL DISTRIBUTION

Offering distribution nationally and internationally including UK, Europe, USA & Asia Pacific.

Industries Served

- Toll Manufacturing
- Road & Rail Networks
- Corporate & Government Bodies
- Mining & OEM
- Defence
- Architects & Consultants
- Civil & Engineering
- Construction

Industry Segments

Anti-Graffiti Coatings

We offer high-performance, non-sacrificial anti-graffiti coatings available in solvent-based and water-based formulations. They provide reliable protection and are suitable for indoor and outdoor surfaces.

OEM Coatings

Our OEM coatings are a diverse and high-performance range of industrial coatings, tailored to meet the stringent demands of various sectors. From corrosion-resistant coatings that safeguard infrastructure and machinery against harsh environments, to specialty coatings designed for specific substrates or applications, we offer solutions that prioritise longevity and performance.

Façade Coatings

A façade allows for vast expression in the design of a building often setting the scene for a new theme or look. Our team has focused heavily on the protection of façade substrates and now supplies Vitreflon – the hallmark of colour stable coatings, into the worldwide market.

Floor Coatings

ENDURAFLOOR by A&I Coatings stands out in the industry with its extensive range of Epoxy, Polyurethane and Polyurethane Cement floor coatings, catering to diverse industrial and commercial applications.

Industry Segments

Isocyanate Free Polyurethanes

Our team has developed a unique one-of-a-kind isocyanate free polyurethane through the development of advanced coating technology. Utilsing pure polyurethane technology ensures our isocyanate free polyurethane offers excellent durability, UV resistance, and aesthetic appeal, making them a viable alternative to other isocyanate free coatings.

Specialised Coatings

We manufacture a range of specialised and unique coatings for various applications. These coatings include rubberised nonslip finishes and temporary protective coatings for glass and spray booths.

Protective Coatings

We provide high-performance protective coatings that offer exceptional protection against corrosion, UV exposure, and chemical damage. Designed for industries such as mining, marine, and construction, these coatings extend the lifespan of steel structures while maintaining durability in harsh conditions.

Civil & Infrastructure

The Civil and Infrastructure industry requires advanced, and at times specifically designed coatings. Our comprehensive range of high-performance coatings addresses the unique challenges of this sector, offering superior protection against corrosion, chemical exposure, and extreme temperatures.
