ST. PATRICK'S COLLEGE

Project Review December 2023

Overview

St Patrick's College is a Catholic Secondary School for Girls in Campbelltown, NSW. It is the oldest Catholic independent school in Australia, established and supported by local businesses without government help. The project aims to brighten the school ground with lively colours that reflect the school's dynamic learning atmosphere.

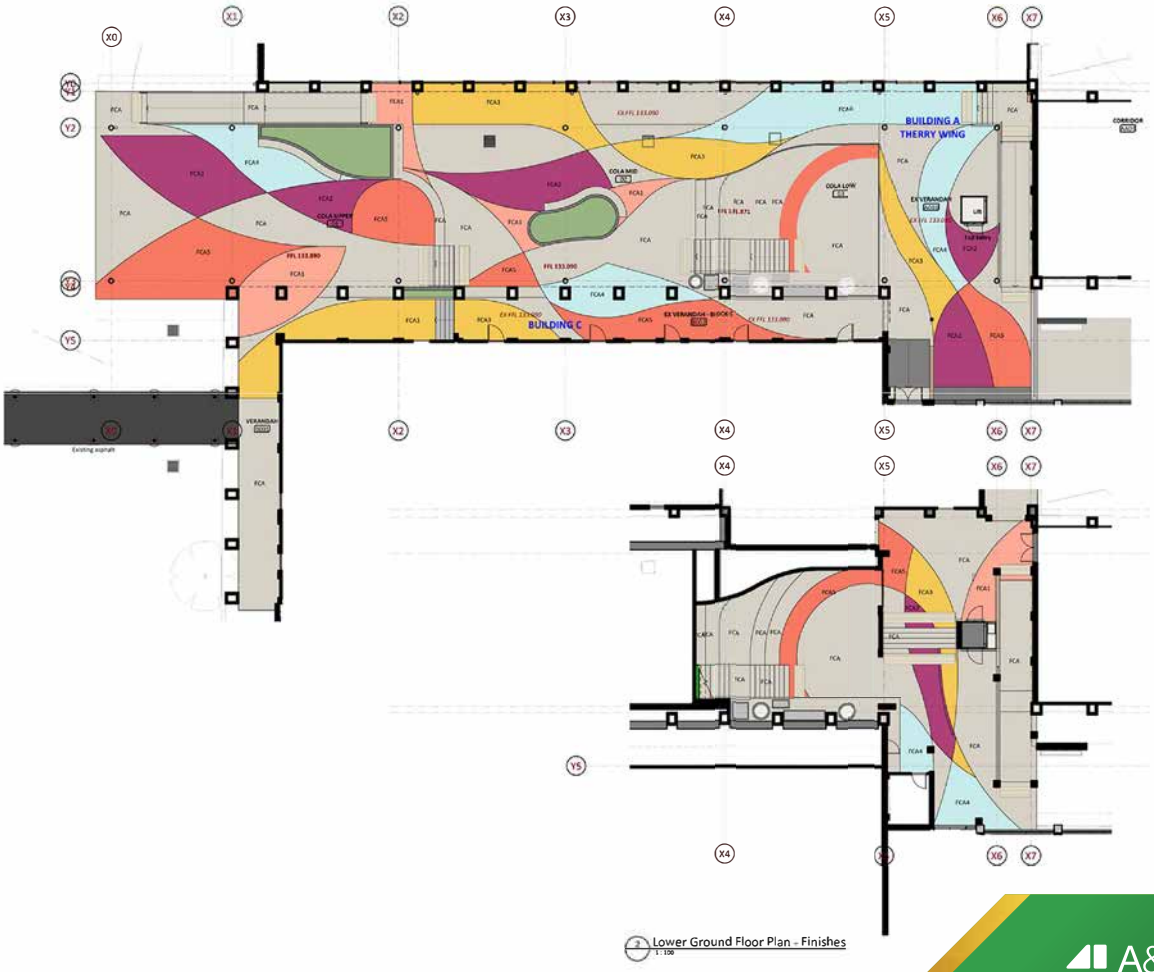

A&I was happy to offer Endurafloor RC UV, a resilient and long-lasting resin flooring solution for St Patrick's College. This resin coating system has excellent wear resistance properties, is UV stable and can be customized in any colour.
